

at Mississippi Gulf Coast Community College and the University of Southern Mississippi, where he earned a bachelor's degree.

After graduating, Earl settled in South Louisiana. In 1967, he founded King Trucking, Inc. near Morgan City, Louisiana. The business has provided professional trucking services for over 55 years. As a member of the Louisiana Motor Transport Association, the St. Mary Industrial Group, and the American Petroleum Institute, Earl worked with local businessowners to advance the economic interests of St. Mary Parish.

He was committed to serving his State and community. Earl was a member of the Louisiana Wildlife and Fisheries Commission, having been appointed by two Governors and having served as chairman for one year. He was a board member for the Louisiana Shrimp and Petroleum Festival and was chosen as the festival's king in 2004.

Earl also gave back. He endowed the Earl King Scholarship at Mississippi Gulf Coast Community College, and he was an active member of LSU's Tiger Athletic Foundation.

He enjoyed hunting and fishing. He loved his LSU Tigers, and above all, spending time with his family.

A beloved husband and father, Earl left this earthly existence and shed his mortal coil on April 13, 2022, at the age of 77.

Madam Speaker, on behalf of the citizens of Louisiana's Third District, I honor the life of Earl Paul King, Jr. May he endure in our memories, and may God bless his loving friends and family.

### HON. JEFFERSON VAN DREW

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 24, 2022*

Mr. VAN DREW. Madam Speaker, I would like to recognize the lifelong achievements of Fredrick John Nahas II. Dr. Nahas moved to Margate, South Jersey as a young boy and graduated from Atlantic City High School in 1964. In high school, he was a South Jersey swimming champion and was recruited to swim at the University of Pennsylvania, where he earned a bachelor's degree in electrical engineering. After graduating from University of Pennsylvania, Dr. Nahas followed in his father's footsteps and pursued his career as an electrical engineer working on the Apollo Moon Project in Florida. He then continued his education and graduated from Temple University School of Medicine in 1974. After years of hard work, Dr. Nahas opened his own practice in 1978 and became a board-certified surgeon in 1980. Since then, he has maintained certifications in both general and vascular surgery. Currently, he works at his solo practice in South Jersey and enjoys spending time with his six grandchildren. Dr. Nahas should be proud of all of his achievements, and it is my pleasure to recognize him. God Bless Fredrick, and God Bless our America.

KENT LOPEZ

### HON. DAN NEWHOUSE

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 24, 2022*

Mr. NEWHOUSE. Madam Speaker, I rise today to recognize the upcoming retirement of Kent Lopez as General Manager of the Washington Rural Electric Cooperative Association.

For nearly 17 years, Kent has diligently represented the interests of these 14 not-for-profit, rural electric coops and has advocated for the interests of consumer-owned utilities for more than 40 years.

Whether it's my home co-op of Benton REA in Central Washington, Okanogan County Electric and Nespelem Valley Electric to our north; or Big Bend Electric just next door, Kent has dutifully executed his charge of ensuring that hundreds of thousands of rural Washingtonians have access to the affordable, reliable, and abundant renewable cost-based benefits of the Federal Columbia River Power System—a system critically important to the well-being of the Pacific Northwest.

But come July 1st, Kent will hang up his coat and focus on the long "honey-do" list his lovely wife Cindy has ready for him.

I wish Kent good luck in retirement; he has earned it.
